

McDonogh 15 School for the Creative Arts, a KIPP transformation school

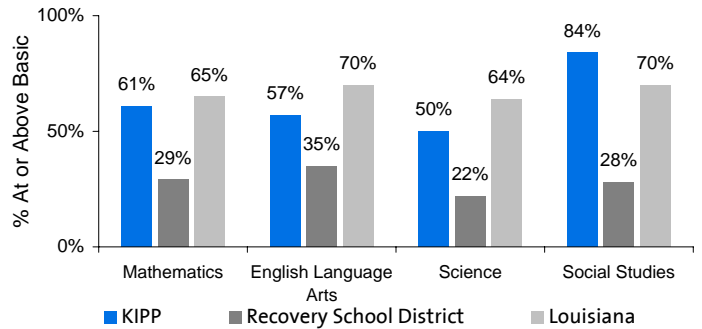

Preliminary Louisiana Educational Assessment Program (LEAP) & Integrated Louisiana Educational Assessment Program (iLEAP) Results*

This test measures how well students have learned a set of academic skills established by the state. Students in grades 4 and 8 take the LEAP and students in grades 3, 5, 6, and 7 take the iLEAP. State criterion-referenced tests allow us to see how well KIPP schools performed in a given year, as compared with state standards and district and state averages. Subjects required by the state at each grade level may vary.

6th Grade

7th Grade

8th Grade

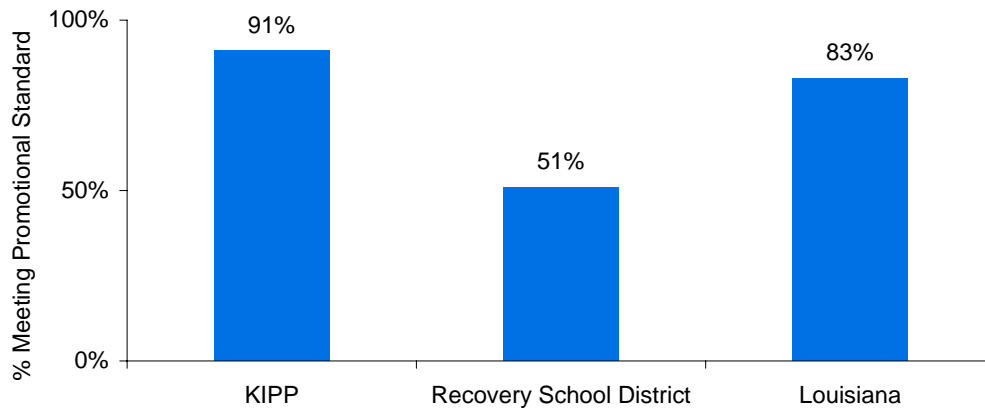

*LEAP is used to determine whether students advance to the 5th and 9th grades. Students have an opportunity to retake the LEAP, and final results for both the LEAP and iLEAP will be released in July.

Louisiana Educational Assessment Program

Students meeting promotional standards after spring and summer tests (LEAP)

This test measures how well students have learned a set of academic skills established by the state. Students in grades 4 and 8 take the LEAP and the test determines whether students advance to the 5th and 9th grade. To pass the LEAP test, students are required to score at least Basic in one of two subjects - English language arts or Math - and at least Approaching Basic in the other subject. Students who do not pass during the spring administration have an opportunity to re-test in the summer.
